Marcel Ethier

Ethier Sand & Gravel

Background

Marcel Ethier is the founder of Ethier Sand & Gravel Ltd., a respected, family-owned aggregate producer serving Eastern Ontario. Established through hard work and entrepreneurial vision, the company has grown into a trusted supplier of high-quality aggregates supporting infrastructure, construction, and community development across the region.

Marcel built the business on a foundation of integrity, operational excellence, and long-term stewardship of the land. His leadership emphasized responsible resource development, strong community relationships, and a commitment to safety and sustainability. Through decades of dedication, Marcel Ethier created a lasting legacy that continues to shape both the company and Ontario's aggregate industry.
